BOB WOODRUFF

Athletic Director and Head Football Coach

George R. (Bob) Woodruff, now in his sixth year as head football coach and director of athletics at the University of Florida, has the longest tenure of any football coach in the University's history.

Over the past five years, Coach Woodruff has brought the Gators into a position of respect, not only as a potent member of the strong Southeastern Conference but also as a team worthy of recognition nationally. The Gators now are "representative" of the kind of excellent football team the rest of the country has come to expect of the SEC.

A native Georgian who received his college education in Tennessee, and whose coaching career has carried him to West Point in New York State and to Baylor in Texas, Coach Woodruff today is a confirmed Floridian. Always ready to point out Florida's assets to visitors or when visiting, Woodruff tells everyone frankly: "My wife and my sons and I have found a home in Florida."

Born in Athens, Georgia, on March 14, 1916, Coach Woodruff's family soon moved to Cuthbert in that state, where they lived until he was 16 years old. He played on Cuthbert High's first football team, and then on moving to Savannah played three years for Savannah High School.

Those close to Coach Woodruff know him as a person who makes no hasty decisions, thinking things through to a careful conclusion. His teams are well disciplined and his associates are deeply loyal, a trait reflected from the coach himself.

These qualities, his friends believe, stem in a large measure from his playing days as a standout tackle in 1936-37-38 on the Tennessee teams of General Bob Neyland.

Following his graduation from the University of Tennessee in 1939, when he received an engineering degree, Woodruff joined the Vols staff as assistant coach, a position he held during the 1939 and 1940 seasons.

Entering the Army in 1941, Coach Woodruff rose to the rank of Major before being discharged in 1946. During that period of service, he was an assistant coach in 1944 and 1945 at West Point, helping Coach Earl (Red) Blaik guide the Black Knights of the Hudson to national collegiate gridiron championships.

The following season he was line coach at Georgia Tech, before becoming head coach at Baylor University in the spring of 1947. Immediately lifting a floundering Baylor squad out of the cellar of a

tough Southwest Conference, Coach Woodruff had the eyes of the nation turned on him. That first season Baylor claimed four quick victories in a row, including a startling upset of Arkansas. A powerful Texas team broke the string, and Baylor went on to a respectable five-five season. The following season Baylor enjoyed a 6-3-2 season, including a Delta Bowl victory (20-7) over Wake Forest. Then in 1949, Woodruff guided an astonishing Baylor Bears to eight wins and two losses.

At Florida, where he became Head Coach and Director of Athletics in 1950, Woodruff found many of the problems which had existed at Baylor. The Gators that first season compiled a creditable 5-5 season, and followed with an identical record in 1951. Then, as at Baylor, the third year was the big one. The 1952 Gators became one of the country's top teams, compiling a regular season's record of seven wins, against three losses, and went on to beat an excellent Tulsa team in the Gator Bowl, 14-13.

Following the graduation of many top stars, another rebuilding program was underway in 1953. In 1954 the program again was in high gear and the Gators compiled their finest Southeastern Conference in Florida's history, winning five and losing two for a third place tie. Their overall record was five wins and five losses.

Meanwhile, as Athletic Director, Woodruff has continued to place a strong emphasis on a "Total" sports program, and the Gators have prospered in basketball, track, swimming, baseball, tennis and golf. Since 1950, Florida teams in all sports have won 387, lost 204 and tied 10 for a win percentage of .655. Against SEC competition the win percentage is .605.

Coach and Mrs. Woodruff (Margaret) have two sons, Scooter, 11, and Mark, 2.

He was head coach at Johnson City for two years, then guided Lake City for eleven years, his teams winning 73, losing 30 and tying 7. He returned to the University of Tennessee as line coach under Coach John Barnhill in 1942, the year the Vols defeated Tulsa in the Sugar Bowl. After three years in the Navy, including service in the Pacific, Hooser became football line coach and head track coach at the University of Arkansas for the seasons of 1946-47-48-49. The Razorbacks were the Southwest Conference title winners and tied LSU in the Cotton Bowl that first season. In 1947 they defeated William and Mary in the Dixie Bowl. Since joining the Florida staff in 1950, Coach Hooser has produced consistently strong defensive lines. Serving until 1947, his basketball Vols won 128 games and lost 42, while the football team went twice each to the Rose, Orange and Sugar Bowls. During that period the basketball team won SEC championship in 1941 and 1943, and were tournament finalists in 1939 and 1945. Again Mauer was basketball coach and assistant football coach, this time for West Point from 1947 until 1951 when he joined the Florida Gators. FERGIE FERGUSON AWARD

The Forest K. (Fergie) Ferguson Award is given in memory of one of Florida's finest athletes, one of the great all-time ends to wear the uniform of the Fighting Gators. The Award is made annually in the form of a beautiful trophy, which remains in the permanent possession of the University of Florida, and is given to the football player selected by his teammates as the Gators' most valuable senior player of the year. The player is selected in the spring and the winner is announced at the annual spring football banquet. He is then invited, as an alumnus, to return the following year at Homecoming and receive the Ferguson Award in appropriate ceremonies.

Winner of the 1954 Award, which is being offered for the first time this year, is Fullback Malcolm Hammack, native of Roscoe, Texas. In addition to having his name inscribed on the permanent trophy, which is displayed at all times in the trophy case, at the entrance to the Division of Intercollegiate Athletics offices in the south-

west corner of the stadium, Hammack will also receive a small replica of the trophy.

Idea for the Award was conceived by John Piombo, teammate and friend of Fergie Ferguson, and Dick Stratton, former Florida athlete and admirer of Ferguson. These two residents of Jacksonville donated the original Ferguson trophy.

ABOUT FERGIE FERGUSON

The late Fergie Ferguson was a star end for Stuart (Fla.) High School in the middle thirties before entering the University of Florida in the fall of 1937. He wrote several football records into the books, and still holds the Florida career record for the most passes caught. He caught 43 passes in the 1939-40-41 seasons. His record for the most yards gained on passes caught—668 for the three seasons—still stands today. A record for the longest touchdown pass caught, 74

"GATORS"

(From THE FLORIDA TIMES-UNION (Jacksonville), Thursday, August 19, 1948.)

"MILLER RECALLS CHRISTENING OF UF TEAMS AS 'ALLIGATORS'

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University at Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied 'Miller's' with blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head.

"With the first display of the new banners and pennants in Gainesville, the name 'Alligators' to describe the football team 'caught on' Miller recalled and, now contracted to 'Gator.'

MISSISSIPPI STATE

September 17 — Gainesville — 2:30 P.M.

Nickname: Maroons

Coach: Darrell Royal (Oklahoma 1950)

Sports Publicity: Bob Hartley

Colors: Maroon and White

Enrollment: 3,100 men and 300 women

Location: State College, Miss.

Mississippi State, a land-grant college, was founded in 1878 and opened in 1880. Located in the rolling hills of Northeast Mississippi's prairie region, just a few hours' drive from the most distant point in the state, is Mississippi State College, "The Peoples College", largest institution of higher learning in the Magnolia state.

When Mississippi State's first football team, the "scoreless wonders" of 1895 (then Mississippi A. & M.) made its debut under a student coach, only two courses, agriculture and the mechanic arts, were available to the 213 students then enrolled.

Since its early beginning both the school and the football team have grown in maturity. In 1940 the Maroons were undefeated in football and had only a tie with Auburn to mar a perfect record. In 1941 the Maroons won their only Southeastern Conference football championship.

The football team has played in two bowl games, losing to Duquesne 13-12 in the 1937 Orange Bowl game, and defeating Georgetown 14-7 in the 1941 Orange Bowl game.

In 1954 the Maroons, playing their first campaign under youthful Darrell Royal, finished in a tie with Auburn for sixth place in SEC standings. The final record showed six victories against four losses. In SEC action the record was 3-3.

Royal, a former Maroon backfield coach, gave up the head coaching post of the Edmonton Eskimos in the Canadian pro league to take over the Maroon assignment when Murray Warmath departed for Minnesota.

The former Oklahoma All-American quarterback, who learned his football under Jim Tatum and Bud Wilkinson, had previously served as an assistant coach at North Carolina State, Tulsa and Mississippi State. The Florida-State football series, Florida scores first:

Georgia Institute of Technology is a non-sectarian engineering school, founded in 1885 and officially opened on Oct. 7, 1888. It is chartered by the Legislative body of the State of Georgia.

Primarily a men's institution, Georgia Tech in 1952, however, began admitting women as full-time students of the engineering and architecture schools.

Georgia Tech, with a Professor West as its informal coach, played its first football game in 1892, losing to Mercer College 0-12. Tech hired its first regular coach, John W. Heisman, in the fall of 1904, and won eight games, lost one and tied one that season. Tech has been rated as a top national team ever since. The Yellow Jackets' second coach, W. A. (Bill) Alexander, served from 1920 until Robert L. (Bobby) Dodd, the present coach took over in 1945. Under Coach Dodd's leadership, Tech football teams have won 82 games, lost 26 and tied two in the past ten years. Tech last year won 7 and lost three before defeating Arkansas, 14-6, in the Cotton Bowl. This was the fourth straight year Tech has been in a major bowl. The Yellow Jackets have won all six of their bowl appearances under Coach Dodd.

Tech was either champion or co-champion of the old Southern Conference eight times and the Southeastern Conference five times. They played in the Rose Bowl (1929), Sugar Bowl three times (1944, 1953, and 1954), the Orange Bowl four times (1940, 1945, 1948, and 1952), the Cotton Bowl twice (1943 and 1955), and the Oil Bowl (1947). Tech's Bowl record is 9 wins and 2 defeats. Scores of Florida-Tech games are:

Sports Publicity: Bill Beckwith
Colors: Burnt Orange and Navy Blue
Enrollment: 7,500
Location: Auburn, Alabama

The Alabama Polytechnic Institute, known the country over in intercollegiate athletic circles as Auburn, was founded in 1872. It is a State school with an enrollment of 6,000 men and 1,500 women students. The Tigers entered the ranks of intercollegiate football, coached by George Petrie, with a 10 to 0 victory over Georgia in 1892 on George Washington's birthday in Atlanta, Ga. Coach Ralph Jordan guides the Tigers this year for his fifth season. Last season, his team won seven and lost three games, plus defeating Baylor, 33-13, in the Gator Bowl. Auburn was selected for the runnersup position for the 1955 season in a poll by the Birmingham News but faces problems, since six of the 11 1954 starters are gone. Jordan reports himself without a proven quarterback and center. Members lost to the Gator Bowl Champions are QB Bobby Freeman, C Jack Locklear, LE Jim Pyburn, RE Jimmy Long, RG George Atkins, and RH Dave Middleton. Fullback Joe Childress is the star of this squad. The 195-pound senior led the SEC in rushing and scoring last fall and was on most of the pre-season All-America teams. Other standouts are LT Frank D'Agostino, RT M. L. Brackett, LG Bob Scarborough, RG Chuck Maxime, LH Fob James, and LE Jerry Sansom. Sophomores must play a big role. Some of the outstanding Sophs are RH Bobby Hoppe, RE Jimmy Phillips, LT Ben Preston, RG Tim Baker, QB Jimmy Cook, RH Tommy Waugh, C Billy Pappanastos, and LH Louis Preis. Nickname: Colonials
Coach: Eugene H. (Bo) Sherman
(Henderson State, '30)
Sports Publicity: Carroll Hall
Colors: Buff and Blue
Enrollment: 8,121 men—3,103 women
Location: Washington, D. C.

The George Washington University is a fully accredited, co-educational, non-sectarian and privately endowed institution, the fulfillment of a dream that was sponsored by the First President of the United States. President Washington made public his ambition to have an institution of higher learning erected along the banks of the Potomac, and in his will he left valuable stocks to be used toward the establishment of a university "to which the youth of fortune and talents from all parts thereof might be sent for the completion of their Education in all the branches of polite literature;—in arts and Sciences,—in acquiring knowledge in the principles of Politics and good Government."

This bequest was in the form of 50 shares of stock in the Potomack Navigation Company, then having a market value of \$22,500. General Washington estimated it would eventually yield a revenue "of 1,200 to 1,500 pounds sterling a year."

Although the Potomac canal properties failed, Washington's desire for a university in the Federal City sparked the imagination of others, and the University came into being in 1821. Sponsors included James Monroe, James Madison, John Quincy Adams, Luther Rice, Obadiah B. Brown, Return Jonathan Meigs, Jr., and others.

George Washington's football schedule includes Florida for the first time. The Colonials annually play such teams as V. M. I., Pennsylvania, Virginia, West Virginia, and Maryland, among others.

Coach Sherman is starting his fourth year as head coach at G. W. His record there is 12 wins, 13 losses and 2 ties.

LOUISIANA STATE

October 15 — Gainesville — 2:30 P.M.

Nickname: Tigers
Coach: Paul F. Dietzel (Miami of Ohio '48)
Sports Publicity: Carl "Ace" Higgins

Enrollment: 9,000 (7,000 men; 2,000 women)

Louisiana State University was founded in 1860 near Alexandria, La., as the State Seminary of Learning. It got its full name in 1877 when it was merged with the Agricultural and Mechanical College, previously located at New Orleans, then transferred its operations to the present campus between 1925 and 1932. First president of LSU was General William Tecumseh Sherman. Football was introduced at LSU in the fall of 1892, but only scrimmages represented a schedule. In 1893 the Tigers initiated intercollegiate competition with Tulane and lost, 34-0. First coach of the Ole War Skule was Dr. Charles E. Coates. In 61 years of football LSU has won 303, lost 174, and tied 31 games of 508 played. In Southeastern Conference activity, the Bayou Bengals have played 134 games, winning 67, losing 55, and tying 12. LSU teams have participated in four Sugar Bowl games ('36-37-38-49), and have appeared in Orange ('44), and Cotton ('47) Bowl games as well. Twenty-two coaches have been at the helm of Tiger teams, including Paul F. Dietzel, who is making his debut as LSU's head coach with the '55 schedule. Dietzel, former assistant under Earl "Red" Blaik at Army, replaced Gaynell "Gus" Tinsley last March. The athletic revision also found James Corbett assuming the duties of Director of Athletics, replacing T. P. Heard who entered retirement. The October 15 meeting between LSU and Florida will be the fifth in the history of the series between the schools. The Florida-LSU series, Florida score first:

UNIVERSITY OF KENTUCKY

October 22 — Lexington — 8:00 P.M. (C.S.T.)

Nickname: Wildcats
 Coach: Blanton Collier (Georgetown '27)
 Sports Publicity: Ken Kuhn
 Colors: Royal Blue and White
 Enrollment: 6,000
 Location: Lexington, Kentucky

The state University of Kentucky was founded in 1865 and the Wildcats' intercollegiate football history dates back to 1881, when they engaged in a series with cross-town rival Kentucky University. Old KU is not to be confused with the present-day UK since the Wildcats in those days represented an institution known as Kentucky State College. Kentucky has come a long way in the grid sport since those early days, but did not come into its own until former Coach Paul Bryant came on the scene in 1946. During his eight years at the Bluegrass school, he guided the Cats to four bowl games and their first SEC championship. They won their initial bowl effort, beating Villanova in the 1948 Great Lakes Bowl. Following 1949, Kentucky in the next three years enjoyed its greatest success and made the rounds of the major bowls—Orange in 1950 (lost to Santa Clara), Sugar in 1951 (beat Oklahoma) and Cotton in 1952 (won over TCU). When Bryant shuttled off to Texas A & M after the 1953 season, Kentucky succeeded in hiring an outstanding native son, Blanton Collier, who had served as backfield coach of the professional Cleveland Browns for eight years. In his very first season as Wildcat mentor, Coach Collier guided his youthful and inexperienced charges to a surprisingly successful, 7-3, record and a third place tie in the conference standings. The Wildcats were in the thick of the race right up to the final whistle, upsetting some good clubs in the wake but losing to Florida, and won "SEC Coach of the Year" honors for their chief. UNIVERSITY OF GEORGIA

November 5 — Jacksonville — 2:30 P.M.

Nickname: Bulldogs
 Coach: Wallace Butts (Mercer '28)
 Sports Publicity: Dan Magill, Jr.
 Colors: Red and Black
 Enrollment: 5,000
 Location: Athens, Ga.

The University of Georgia is the nation's oldest state chartered institution of learning, formally brought into being in 1785. It was opened in 1801 with less than 30 students; its enrollment today is 2,500 men and 2,500 women students. The Bulldogs, under the late Dr. Charles Herty, who became famous for developing the products of the pine, were the first school in the deep south to organize a football team. Dr. Herty persuaded a classmate of his at Johns Hopkins, who had gone to Auburn, to organize a team there, too. Georgia and Auburn played the first football game in the deep south in 1892, Auburn winning 10-0, at Brisbane Park (Atlanta). Present Coach Wallace Butts is in his seventeenth season at the Georgia helm—the dean of Southeastern Conference head football coaches. His Georgia teams have won 109 games, lost 56 and tied eight, for a winning percentage of .660, including seven bowl games. Butts' Bulldogs won the SEC title in 1942-46-48. UNIVERSITY OF TENNESSEE

November 12 — Gainesville — 2:00 P.M.

Nickname: Volunteers
 Coach: Bowden Wyatt (Tennessee '39)
 Sports Publicity: Gus Manning
 Colors: Orange and White
 Enrollment: 7,000
 Location: Knoxville, Tennessee

The University of Tennessee was chartered in 1794 and is one of the oldest State Universities in the country. It was the first co-educational institution in America and established the first Y.M.C.A. in the South.

The nickname "Volunteers" is the official nickname of the State and has become the nickname of the athletic teams of the University. The nickname originated when Andrew Jackson successfully mustered armies of Tennessee volunteers to fight the Indians and also to participate in the Battle of New Orleans. The name became prominent during the Mexican War when the Governor of Tennessee asked for 2,800 volunteers and instead of 2,800—30,000 volunteered immediately. In subsequent calls Tennessee has always had a majority of volunteers to respond.

The first year of football was in 1896. The Vols defeated Virginia Polytechnic Institute 6 to 4 in their first game.

Bowden Wyatt is beginning his first year as head coach of the Volunteers. He served as head coach at Wyoming and Arkansas before returning to Tennessee where he captained and was an All-America end on the great Tennessee team of 1938.

The Tennessee-Florida series began in 1916 when Tennessee defeated Florida 24 to 0. Last year, when the Vols and the Gators were meeting for the eleventh time, the Gators gained their first victory, 14-0.

VANDERBILT UNIVERSITY

November 19 — Nashville — 2:00 P.M.

Nickname: Commodores
 Coach: Art Guepe (Marquette '37)
 Sports Publicity: Elmore Hudgins
 Colors: Gold and Black
 Enrollment: 3,087 (1954-55)
 Location: Nashville, Tennessee

Vanderbilt University, an independent, privately endowed institution was founded in 1873 and named for Commodore Cornelius Vanderbilt, whose two gifts of \$500,000 each enabled the university to open its doors to 307 students in October 1875.

Vanderbilt's first football team was organized in 1890, in answer to a challenge from the University of Nashville. They whipped the challengers 40-0, and the following year arranged a four-game schedule, which was increased for 1892 to eight games. The Commodores, as they became known, took the lead in popularizing inter-collegiate football in the South, winning the Southern championship 15 times in the process.

The Commodores have not been a contender for the SEC championship since 1948, but Coach Art Guepe, who gave the University of Virginia her greatest football teams before transferring to Vanderbilt in 1953, has this year his most potent Vandy squad.

Charley Horton, Vandy's best halfback since hard-running Herb Rich, keys a ground game which will gain against any team. Speedsters Buddy Stack and Joe Scales are distance threats, while Fullbacks Don Hunt (Senior) and Phil King (Soph) have the power for first-down yardage. Don Orr and Billy Holmes do the passing and punting from quarterback, and when the spot needs help, all-around man Tommy Harkins moves in there.

The middle of the Commodore line is tough, with Jim Cunningham at center and Larry Frank and Larry Hayes the guards. Tackles are inexperienced, but ends quite able, with Seniors Joe Stephenson and Earl Jalufka and Junior Henry Tyler on hand to help Harkins.

This is Vanderbilt's best balanced squad of recent years—15 seniors, 10 juniors and some 20 sophomores—and it may provide the depth so sorely needed last year when the Commodores outplayed their first four opponents early, yet lost in the 3rd or 4th quarters. The Florida-Vanderbilt football series, Florida score first:

UNIVERSITY OF MIAMI

November 26 — Miami — 2:00 P.M.

Nickname: Hurricanes

Coach: Andy Gustafson (Pitt. '26)

Sports Publicity: George Gallett—Wilbert Bach

Colors: Orange, Green and White

Enrollment: 11,000

Location: Coral Gables, Florida

The University of Miami was founded in 1926. That year the first roll call was answered by 232 students. Today that entire undergraduate body could be swallowed up by single academic departments in any of the University's eight schools, without showing a bulge.

The growth from a small new college to a University of 11,000 students in a brief quarter of a century could be ascribed with some accuracy to the parallel mushrooming of the Dade County population.

Today the Main Campus, already known as the most modern one in the country, is considered only a fraction of what some day will rise there to house and educate students of the future.

While comparatively young as far as most universities and colleges throughout the nation go, Miami in a short span of years has become a football power.

Miami first stepped into the spotlight back in 1938 in football when during that season the Hurricanes turned in stunning upsets over Florida and Georgia. These were Miami's first outstanding triumphs in football. Since then, the Hurricanes have knocked off many outstanding teams of the nation, including teams from the Big Ten, Southwest Conference and the Southeastern Conference.

Miami has met Big Ten teams in competition four times in football and in three of those four games, Miami emerged victorious.

One of the most brilliant triumphs in Hurricane history came in 1950 when Miami defeated Purdue of the Big Ten at Lafayette, Ind., a week after the Boilermakers had knocked off Notre Dame ending the Fighting Irish's sensational winning streak.

The 1950 Miami team went undefeated and played Clemson in the Orange Bowl game on New Year's Day. The 1951 Miami team defeated Clemson for the Gator Bowl crown.

The 1954 U-M eleven finished as the 9th ranking team of the nation after defeating Maryland, Baylor, Miss. State, and Florida, among others. This fall Miami has added Notre Dame, Georgia Tech and Bucknell to its schedule.

FERGIE FERGUSON AWARD

(Continued from Page 11)

yards against Miami in 1941, was broken only in 1954 by End Ray Brown, who went 80 yards to score against Tennessee. Fergie was also a track and boxing star, and his javelin throw of 203 feet, 6½ inches, which won him the National AAU championship in 1942, still stands as the best ever made by a Florida athlete.

After leaving the University, Fergie became a second lieutenant in the U. S. Army. Before being severely wounded in the Normandy landing in 1944, Fergie so distinguished himself that he was awarded the nation's second highest medal for gallantry in action. He died of war wounds ten years later.

THE GATOR BAND

The University of Florida Band, more popularly known as The Gator Band, produces many of the most colorful halftime musical shows to be found in college football today. A total of 155 people work under the brilliant direction of Colonel Harold B. Bachman, director, to produce the spectacles that have thrilled football audiences throughout the South.

This high opinion of The Gator Band is shared by many who have seen it in action. On his NBC broadcast of the Florida-Kentucky game in 1952, sportscaster Bill Stern said: "This is one of the finest marching bands I have ever seen, and I think I have seen most of them. It's a tremendous musical organization."

On the same broadcast, nationally famed bandmaster Tommy Dorsey said: "It's one of the finest college bands in the country. Everything they do is great. I could hear every instrument just as if it were set up in a studio."

Members of The Gator Band spend four, two-hour sessions each week in musical rehearsals and outdoor drills getting ready for their colorful Saturday spectacles.

Band members do not receive scholarships or other financial inducements. Representing every department of the University, the band membership is a true cross-section of the student body.

Gator Band field productions are primarily based on a solid musical foundation with good music as the guiding principle. Each halftime show usually includes one or more musical presentations featuring distinctive arrangements played while the band maneuvers into appropriate formations or tableaux. A distinctive characteristic is that many of the feature numbers are performed "in the round" so that the view and sound will be the same from both sides of the stadium.

Uniforms of the men in the basic square of the band are blue with orange trimmings and accessories—topped with shakos and rice blue plumes. Drum majors and baton twirlers are dressed in white, trimmed in orange and blue.

Here is the make-up of the Gator Band for the 1954 season: Two drum majors; 15 baton twirlers and flag bearers; 4 girl bell lyre players; 104 men the band; 12 alternates in auxiliary unit; public two band directors. Student of Physical Education, Billy Mitchel Drill Teams field productions.

Field presentations are Colonel Harold Bachman arrangements are by Reid of bands. Alva A. Beecher Department.

FLORIDA HOMECOMING

All year long the people of Florida talk about Homecoming at the University of Florida. Homecoming means two days of continuous activity, highlighted by the double-feature attractions—Friday night's Gator Growl and the Saturday afternoon football game. Both draw capacity crowds of 40,000.

The game this year is with a fellow member of the Southeastern Conference, Tennessee, on Nov. 12.

Among other outstanding events are a parade of giant proportions, banquets, swim shows, alumni reunions, fraternity and sorority doings, and a Legislative Barbecue.

Back in 1906 the students decided to stage a "Dad's Day." Homecoming was the natural outgrowth of "Dad's Day" and in late years it has

become almost traditional for each one to surpass the last one.

Gator Growl, an all-student variety extravaganza that draws a packed house to Florida Field Stadium on the eve of the football game, came into the picture back in 1924. About 7,000 Dads and Grads gathered in the old gymnasium the night before the game to drum up the necessary enthusiasm to help the Gators defeat Drake University the next day, 10 to 0.

From that spontaneous gathering in 1924 has grown what is very likely the largest, most colorful and noisiest pep rally on the college sports scene today. A student committee of Florida Blue Key works a year ahead to set the theme. Fraternities and sororities plan their parts months in advance and spend months preparing interior and exterior house decorations, parade floats and skits for Gator Growl. No admission is charged for Gator Growl or other sidelights.

Almost everyone who comes to a Florida Homecoming finds himself torn between more desires than a kid at Coney Island. There is something going on every minute and all too often, for the visitors, colorful events overlap to make the choices more than a little difficult.

Sports editors and writers assigned to cover the Florida-Tennessee football game on November 12 will be primarily interested in the football game, but those who want to be in on the unforgettable side-show attraction will be one of that huge, happy, fun-loving crowd of folks at Florida Field Stadium Friday night for Gator Growl, a brilliant evening's entertainment in anybody's book.

WHEN YOU VISIT THE GATORS

The skeletonized map on the facing page will be of service to you when you pay the Gators a visit. If you are coming for a football game, it will be better for you to follow the heavy arrows placed at the main intersections of highways and streets. By following these arrows, you will avoid suddenly running into a barricade made necessary for traffic conditions on game days.

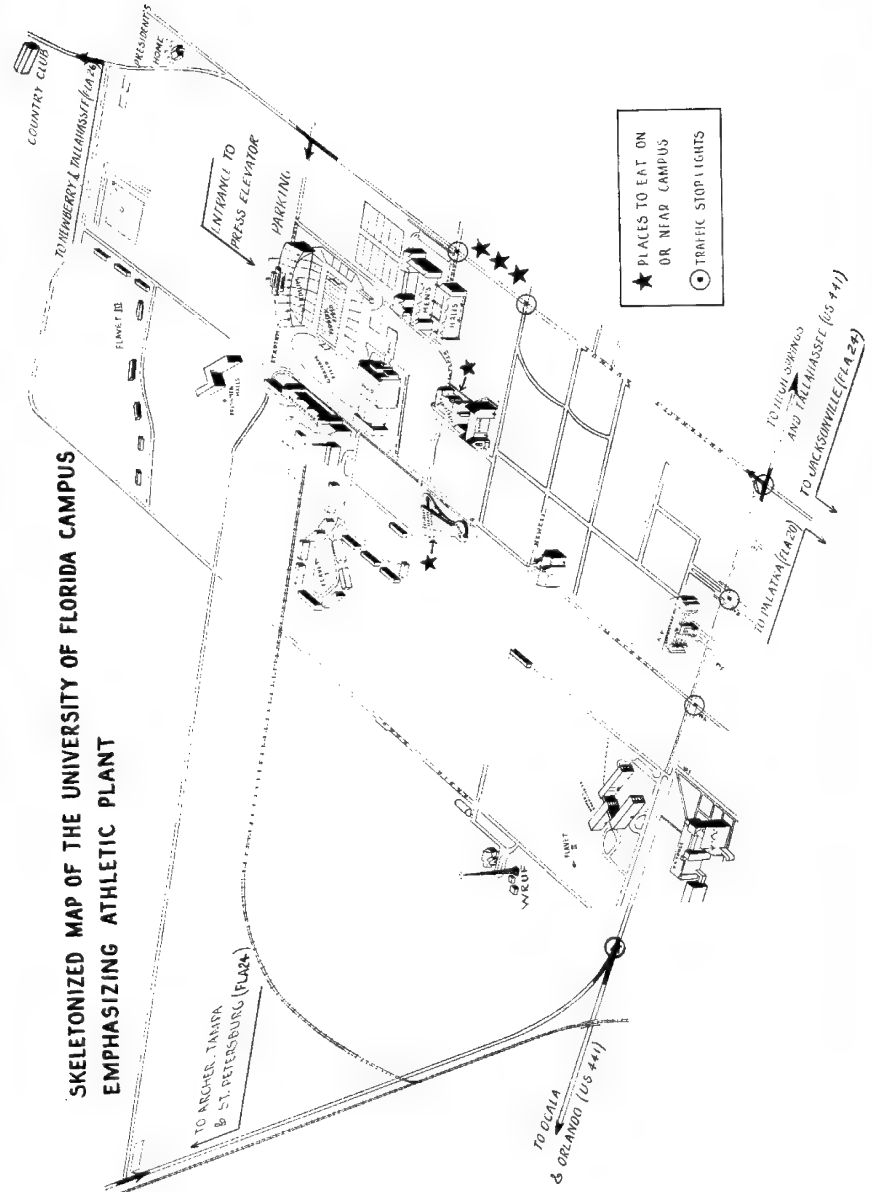

In brief, these arrows will take you to the intersection of University Avenue and 13th Street, which is the main entrance to the University of Florida. You then proceed on University Avenue past two traffic lights, past the handball stalls on the left and turn left into the parking lot at the next corner. On occasions this corner will be blocked off by a patrolman who will send you on another half-block to a second entrance to the parking lot. Any other route to the stadium might take you into a road blockade.

The Athletic Association offices, including the coaching staff, the ticket office and office of the Business Manager, the Gator Boosters, Inc., and Sports Publicity are located in the Florida Field Stadium, southwest section, beneath the stands. Enter from the street (Stadium Drive). The first floor level contains the Business Manager's office, Gator Boosters, and Sports Publicity Department. Coaches offices are on the second floor.

Entrance to the Press Box is gained by showing your pass at the Elevator Lobby. The Elevator will take you to the Press, Radio, Photography, and Western Union Decks. (For further information on the Press Box, turn page.)

The map opposite also indicates the location of the Florida baseball field, the track stadium (Graham Field), Florida Gymnasium and swimming pool.

The stars on the map indicate places on or near the campus to get a bite to eat: Student Service Center, University Cafeteria, and several establishments located opposite the Campus (north side) on University Avenue.

FLORIDA FIELD PRESS BOX

We firmly believe that if you have elected to cover the Gator games at Florida Field this year you will enjoy some of the finest press box facilities in the country. It was indeed a great pleasure to us when we were notified this summer that the Football Writers Association of America had awarded the University of Florida with its Press Box Merit Award, recognizing its outstanding press box working facilities.

The diagrams on the opposite page afford a quick picture of just what's there. Four decks, starting at the bottom and going to the top (by elevator) (1) Photo Darkroom and Western Union, (2) Radio and Photographers, (3) Press and (4) Photo. Here they are in detail:

PRESS DECK: There are 48 seats on the front row and 47 on the back row. Each reporter has 34 inches of desk space and an adjustable, swivel chair that is bolted to the floor. Every seat has perfect vision—there are no uprights between any seat and the field and people walking along the front row are below the vision of folks on the back row. There are no windows on the press deck. A public address system operated exclusively for the press box gives all official information, including statistics on individual plays. There is a snack counter at one end of the press deck and ample toilet facilities at the other.

RADIO DECK; There are five ample-sized, acoustically tiled radio booths with glass windows that may be opened or closed, depending upon the desire of each announcer. The front row of each radio booth will seat four people very comfortably and five in a slight pinch. The back row seats three and is adapted for engineering equipment. Each radio booth may receive the press box PA announcements via headphones. There are two other booths, one for visiting coaches and one for the stadium public address system. Flanking the radio booths are large open-front decks for use by still, movie or television photographers. There are toilet facilities on the radio deck.

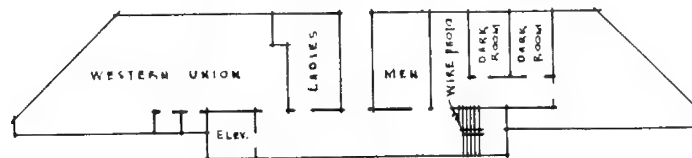

PHOTOGRAPHY DECK: This is a large open-front area at the very top of the press box. It has ample table space both in front of the cameraman and behind him. This deck also includes the Florida coaches booth and the stadium manager's booth.

WESTERN UNION and PHOTO DARKROOM DECK: This is the first floor of the press box and the first elevator stop coming up from ground level. The entire Western Union operation is carried out in a large room that provides every needed facility for transmitting copy. Messages are sent by pneumatic chute from the press deck to the Western Union room. This, of course, eliminates the necessity of having bulky and noisy page printers in the actual working press section. (When you have a message ready for sending, you merely hold it over your head, yell "Copy Boy" and one swoops down on it.)

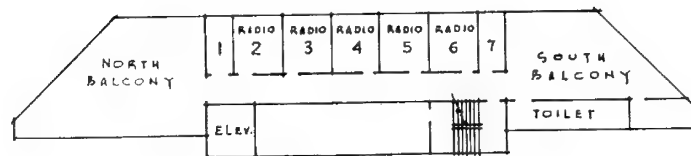

This deck also includes two photographic darkrooms for photographers who wish to process film at the stadium and telephoto room from which they may send pictures to the papers. While the places to do this work are a part of the press box, we are unable to furnish such equipment as enlargers, wire-photo sending sets, etc. Portable units must be brought by the cameramen.

We feel certain that you will thoroughly enjoy any assignment you have in Florida Field Press Box and sincerely hope that you will take every possible occasion to visit us when the Gators are playing at home—and when you just want to drop in for a chinfest.

PRESS AND RADIO ACCOMMODATIONS

Florida's home games (6) are played in Gainesville and Jacksonville. They are:

In Gainesville

Sept. 17	Mississippi State
Sept. 24	Georgia Tech
Oct. 15	Louisiana State
Nov. 12	Tennessee

In Jacksonville

Oct. 8	George Washington
Nov. 5	Georgia

You are urged to make your request for space in the press box as early as possible.

PHOTOGRAPHY ACCOMMODATIONS

Both in Gainesville and in Jacksonville, properly assigned photographers may work from either the sidelines or from the press box, or both. However, photographers working at either of these two places must be covering the game on assignment for the next day's newspapers. (This means, it is impossible for us to extend photographic privileges to free lancers or the weekly press, because of over-crowded conditions.)

In your request for photographer's tickets, it is essential that you advise us whether you desire your accommodations on the sidelines or in the press box, and it is doubly essential that you advise us well in advance if you desire space reserved in the press box for a "Big Bertha" or any other type camera that requires a tri-pod or other support.

We will do everything possible to meet your request.

PLEASE NOTE

ON THE DAY OF THE GAME

When you arrive in Gainesville on the day of the game, you are invited to drop by the Sports Publicity Office, located in the southwest section of the new Florida Field Stadium Addition. We have typewriters, telephones, paper and other facilities. In using your press box ticket (for all decks, including movie) you will enter the elevator entrance, near the main gate on the west side of the Stadium. Enter the glass doors, show the attendant your press pass, and the elevator operator will escort you to the proper press deck. **PLEASE WEAR YOUR PRESS BOX TICKET IN SIGHT (IT HAS A BUILT-IN BUTTON HOLE).**

ABOUT RADIO BROADCASTS

Out of state stations must notify the Athletic Association of the visiting team (Mississippi State, Georgia Tech, George Washington, L. S. U., Georgia, and Tennessee), and having done so must then advise Major Garland Powell, Radio Station WRUF, Gainesville, Florida, and Jimmy Gay, Sports Publicity Department, University of Florida, Gainesville, of their intention to broadcast.

For stations originating broadcasts at the Stadium, the Florida Sports Publicity Department will provide: (1) The broadcasting booth (or space, when booths are filled); (2) Three official game programs; (3) Official game statistics within a few minutes of the end of the half and again within a few minutes of the end of the game; (4) arrangements for the broadcasting telephone line from the Stadium to the University switchboard (you must arrange with the telephone company from the University switchboard on), and (5) a Florida spotter, provided you request one two weeks prior to the game and with the understanding that the station will pay the spotter \$10.00.

Spotters of the visiting team must be arranged through that team. Inquire through Major Garland Powell and Jimmy Gay about other facilities.
